WELCOME LETTER

Hello there,

We're so pleased that you've chosen to come to Camp Wilderness and look forward to welcoming your family for a real outdoor adventure this summer. You can find all the information that you need to prepare for camp here in your 'Camp Pack'. Of course, if you have any further questions or queries, please feel free to call on **03332 004 469** or drop us an email at **hello@campwilderness.co.uk**.

If you haven't already completed the dietary details we require for you, please do this as soon as possible.

A full **KIT LIST** can be found in this pack, camp can be a muddy place, so please don't bring with you any expensive kit... we are very happy for you to come in your old clothes.

Camp arrival time is at 10am and detailed **DIRECTIONS** to camp can be found within this pack. Please use these, along with the specific postcode included, rather than the main estate address found on Google, as we have our own specific arrival areas within the estates. We've included a map for you to refer to, however should you get lost, feel free to call into the office and we'll help to direct you.

We're really looking forward to seeing you for our Camp Wilderness adventure.

Best wishes,

Camp Wilderness

hello@campwilderness.co.uk

Please remember to fill in all of your families details for the camp in the My Account section of your account on our website. You will need to fill in all dietary and medical information for every family member. We will also require an emergency contact for someone who is not on camp with you.

WHAT DOES CAMP LOOK LIKE?

Camp life will be a back-to-basics experience. With no buildings, roads or technology on camp it will be very different to everyday life.

Camp is made up of a central Yurt with a campfire and seating area, an outdoor kitchen and the sleeping tents surrounding these. All activities will take place in and around your camp. Each family will have their own tent for up to 6 occupants, these are safari-style bell tents which are 10 ft wide and will have more than enough room for everyone.

You will have the chance to help with cooking your food throughout your camp, however, the private camp chef will prepare and cook the majority of meals.

There are port-a-loo style toilets on camp- these are cleaned multiple times a day by our staff. There are showers on camp, however, these are usually for emergency use and we ask that you embrace camp life by showering when you get home instead of on camp.
