WELCOME LETTER

Dear Parents,

We're so pleased that you've chosen Camp Wilderness and look forward to welcoming your child/children for a real outdoor adventure this summer. You can find all the information that you need to prepare for camp here in your 'Parent's Pack'. Of course, if you have any further questions or queries, please feel free to call on **03332 004 469** or drop us an email a hello@campwilderness.co.uk.

You will have received an automatic email from us requesting all of your child's dietary, medical, medicine administration, contact and buddies information. Please fill this in no later than 1 month before the camp date so that we can effectively plan for your child on camp.

This form also includes all consent and code of conduct forms which need to be agreed to. Without these filled in and signed we will not be able to confirm your booking.

A full **KIT LIST** can be found in this pack, please make sure that everything that comes to camp is labelled clearly with your child's name. Camp can be a muddy place, so please don't send your child with any expensive kit... we are very happy for them to come in their old clothes. Ps. We do recommend bringing a pillow too as it is much comfier but not essential!

We have a **'no tech'** rule on all our camps! Camp Wilderness is an opportunity for children to get away from the busyness of their everyday lives and spend time away from their screens. Please do not send your child to camp with their phone, or any other high value electricals. Any phones that arrive on camp will be stored in a safe box, so that we can ensure they don't get damaged. If we need to get in contact with you regarding your child's welfare, our staff will have a full list of parents contact numbers and will be in touch directly.

Camp drop off is on the previous page and detailed **DIRECTIONS** to camp can be found within this pack. Please use these, along with the specific postcode/what.three.words included, rather than the main estate address found on Google, as we have our own specific drop-off/collection areas within the estates. We've included a map for you to refer to, however should you get lost, feel free to call into the office and we'll help to direct you.

Should you need to contact us you can speak to our team in the office on **03332 004 469**, they will be able to get in touch with camp directly. At drop off you will be provided with the Duty Managers number for any urgent matters outside of office hours. Pick-up from camp is between 2pm, at the same place you dropped your child off.

Please make sure that you have collected all your child's belongings, as sadly we can't be responsible for lost property.

We're really looking forward to seeing you at drop-off and of course to meet all our campers. Best wishes,

Camp Wilderness

SAMPLE ITINERARY

Below is an example of the kind of activities your child might do on their 5-Day camp... please bear in mind this is just a guide.

Day 1 (11am)

Arrive morning. Gorge Scrambling Afternoon

Gorges are unique environments, simultaneously beautiful and challenging. Gorge scrambling is a team activity, requiring all members to play a part in getting to a set point in the gorge.

Set in a deep river bed, surrounded by rock, boulders and trees, our instructors will encourage individuals to lead the way whilst looking after their fellow team members. There will be various individual and team challenges which include wading through pools, jumping from rock to rock, wiggling through small gaps and sometimes jumps and swims in deep pools.

Participants will learn the value of risk management, clear communication, support for others, an appreciation for a unique environment, and what can be achieved when our comfort zones are stretched. However, above all, the gorge is a fun, wet and wonderful place to spend some time!

Lunch - Sandwiches, Homemade flapjack, Fresh fruit and crisps

Dinner - Burger kitchen, Beef or veggie burger with brioche bun, fries and coleslaw with Toppings and sauces.

Evening Games

Day 2

Breakfast - Cereal, Sausages, hash browns, baked beans and bread roll

Mine Exploration

Mining is an underground adventure; a journey through a slate mine into a dark lost world. Slate mining is a big part of the heritage of North Wales. There are a number of mines which we explore which offer an intriguing view into the past.

Groups will journey through tunnels, up and down inclines, into huge chambers and around deep pools. Exploring the artefacts left behind brings to life the bygone age of an industrial life. Groups will gain an insight into a different time and culture, learn a little of the hazards of being underground, take part in route finding and navigation and be challenged, in numerous ways, by this very different environment. Mining is a full day activity which includes a walk to a from the mine situated in the mountains.

Lunch - Baguettes, Chocolate brownie, Fresh fruit and crisps

Dinner - Beef Bolognese or Penne Vegetable, Garlic bread, Tomato and Olive salad

Evening Games

SAMPLE ITINERARY

Day 3

Breakfast - Cereal, Bacon, eggs, beans, bagels and Orange juice

Canoe / Bushcraft

Canoeing is a team activity requiring communication, coordination and goal setting. We use open canoes, similar to "Native American Indian Canoes" for exploring on our local lakes and rivers. A canoe paddle has a single blade. Our canoes are suitable for all abilities from beginner to expert. Each canoe can seat 2 to 3 people and often with younger paddlers we "raft" canoes together to form a stable craft for games and journeys alike. Groups learn how to take care of their own safety by wearing appropriate equipment and assessing the water environment, paddle their canoe and go on a journey across, around the lake, or down the river. We teach the basic skills in a fun, informal way including playing games, setting challenges and having races and water fights! In the warmer months, when the weather allows, there is often chance for a dip in the lake for those brave enough.

Canoeing is a full day activity and often has the addition of some bushcraft around lunchtime. Young people learn about fire and its hazards, how to use tools safely and an understanding of how to use natural environment responsibly by adopting a "leave no trace" approach. The aim is to be able to make the fire to boil water for hot chocolate and marshmallows, a welcome addition on a day of exploring.

Lunch - Sandwiches, Homemade flapjack, Fresh fruit and crisps

Dinner - BBQ Chicken Legs or sweet potato, spinach and Coconut Curry, Long grain rice and Naan breads

Evening Games

SAMPLE ITINERARY

Day 4

Breakfast - Cereal, Croissant with jam and Fresh fruit

Coasteering

Coasteering involves exploring the rocky coastline, scrambling, climbing, swimming and jumping into the water. It is a challenging wet activity requiring a high level of teamwork.

We use venues on Anglesey which offer a challenge for beginners upwards. Our instructors will encourage teamwork and responsibility throughout the session. Climbs, swims and jumps are all managed to a level appropriate to the teams ability.

Those taking part will learn how to move on rock, how to look after each other when challenged, develop an appreciation of the marine environment, develop personal confidence, stretch their comfort zone and get wet!

Coasteering is a full day activity and is often combined with sea level traversing.

Lunch - Baguettes, Chocolate brownie, Fresh fruit and crisps

Dinner - Chilli beef tacos or Chilli beans, Grated cheese, Tomato salsa, Potato wedges and Sweetcorn salad

Evening Games

Day 5

Breakfast - Cereal, Sausages, hash browns, baked beans and bread roll

Mountain morning. PM leave

To be in Snowdonia is to be in one of the most sublime areas of the UK. High mountains bring their own challenges and rewards, which are immeasurable. Mountain walking is all about inspiring views, and physical challenge. We have the choice of high mountains or smaller coastal peaks. There is a mountain to suit every ability.

Our instructors tailor make the day building in key skills of navigation, route finding and pace. We make the most of what the mountain has to offer including scrambling, weather watching and spotting plant and animal life. Participants will learn about mountain hazards and gain an appreciation of the natural landscape. Each day is a unique experience with memories that often last a lifetime.

Being in the mountains can help to develop resilience, determination, team spirit, an appreciation for the natural environment, awe and wonder and the chance to escape from our everyday world.

Lunch - Wraps, Homemade flapjacks, Fresh fruit and crisps

Top tips for packing

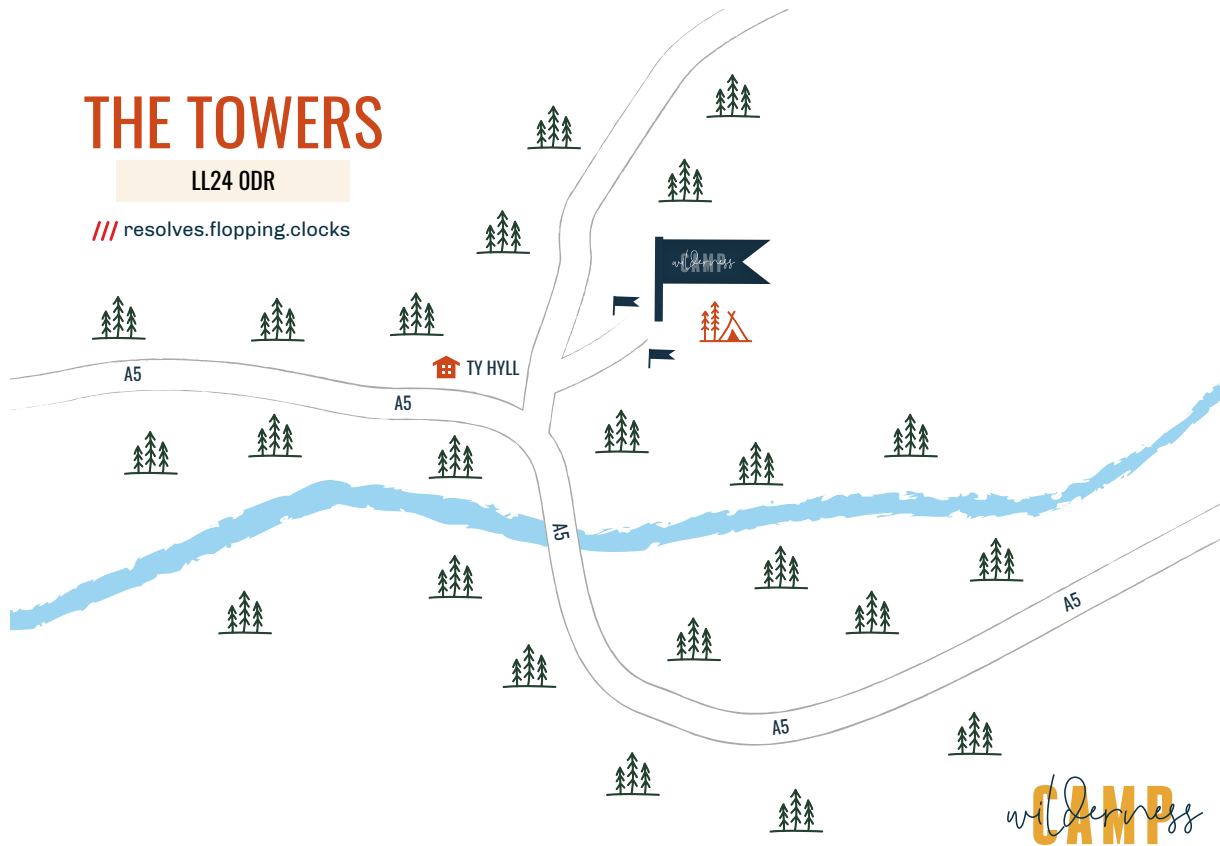

- Try and pack your bags yourself so you know what you have brought with you
- Label everything so that you can identify it. You would be amazed at how much is left behind
- Casual, warm clothes are best

We have a 'no tech' rule on all our camps! Camp wilderness is an opportunity for children to get away from the busyness of their everyday lives and spend time away from their screens.

WHAT KIND OF FOOD DO THE CHILDREN EAT DURING THE SUMMER CAMPS?

With the knowledge of how important good calories are to young people who are exploring and taking part in rigorous outdoor pursuits.

We have designed a healthy and contemporary menu to suit, dining at The Towers is very much a hands on activity, students are encouraged to help set up the dining rooms and take the food to their tables, they will be asked to fill out a menu card each day with their chosen option for breakfast, lunch and dinner.

A hearty breakfast of cereals and a small, cooked offer, freshly made wraps, baguettes homemade flapjack and brownie which is taken with them to eat whilst climbing or canoeing

Then back to the Centre to enjoy a evening meal cooked with fresh ingredients and served as family service which allows them to eat as much or as little as they want.

DO YOU CATER FOR SPECIAL DIETARY REQUIREMENTS?

We take the dietary requirements very seriously at Active Learning Centres we have a robust system in place which accounts for all 14 listed allergens and even allergies which are not recognized by FSA legislation are catered for.

We can supply a carb counted menu on request for anyone with diabetes, and also have the facility to weigh and count the food on site.

All our catering staff and instructors are trained in allergy awareness and Natasha's law.

FAQS

Whilst we endeavor to replicate an allergy-free alternative for every meal sometimes this just isn't possible but with careful planning and a simple chat with the catering staff we can make sure there is always plenty to eat for everyone with an allergy.

With such a good selection of dishes available fussy eaters can be catered for but due to cross contamination possibilities and storage issues we cannot allow food to be brought into the Centre except in severe medical circumstances.

MY CHILD HAS A MEDICAL CONDITION. WHO SHOULD I TELL?

After booking your child's place, we will ask you to fill out a section with any medical conditions, where you can outline any details. This can be found in the Campers section of your account. If your child will need to take any medication on camp, please make sure that you have completed a 'medicine form' which can be found in your parents pack and hand this over with the medication, labelled with your child's name when you drop them off at camp. All medical information needs to be filled out at least 1 month prior to the camp or we may not be able to make the required accommodations.

WHAT HAPPENS IF MY CHILD IS UNWELL OR HAS AN ACCIDENT PRIOR TO CAMP, SO CAN NO LONGER ATTEND?

Please give us a call to let us know that your child will no longer be attending.
