WELCOME TO CAMP WILDERNESS!

Hello there,

We're so pleased that you've chosen to come to Camp Wilderness and look forward to welcoming your family for a real outdoor adventure this summer. You can find all the information that you need to prepare for camp here in your 'Camp Pack'. Of course, if you have any further questions or queries, please feel free to call on 03332 004 469 or drop us an email at hello@campwilderness.co.uk.

If you haven't already completed the dietary details we require for you, please do this as soon as possible. A full **KIT LIST** can be found in this pack, camp can be a muddy place, so please don't bring with you any expensive kit... we are very happy for you to come in your old clothes.

Camp arrival time is at 10am and detailed **DIRECTIONS** to camp can be found within this pack. Please use these, along with the specific postcode included, rather than the main estate address found on Google, as we have our own specific arrival areas within the estates. We've included a map for you to refer to, however should you get lost, feel free to call into the office and we'll help to direct you.

We're really looking forward to seeing you for our Camp Wilderness adventure.

Best wishes,

WHAT DOES CAMP LOOK LIKE?

SAMPLE ITINERARY

Below is an example of the kind of activities your family will do on their 3-Day camp... please bear in mind this is just a guide, timings and order may vary depending on the weather & location of your camp!

DAY 1

Arrival and Welcome to Camp

You will make their way onto camp and be introduced to your new home for the next few days! Staff will deliver a welcome and safety brief. You will be shown their tents, meet your tribe buddies and get a chance to settle in.

Fire Lighting

You will learn the basic principles of fire and the fire triangle. You will be shown a variety of ways fire has been made over years, and put this knowledge into practice, lighting fires safely and responsibly in tribes using these methods.

LUNCH

Water collection & Purification techniques

You will learn how to recognise dehydration and its effects on the body. You will explore different methods of collecting, filtering, and purifying water in the wild, ensuring safe drinking water in remote environments.

Shelter Building

You will learn why we need shelter when we are living outside and the types of shelter from different societies and nationalities throughout history. You will build your own shelter, using natural woodland materials.

DINNER

Evening Games

The children will have a chance to play with their new friends in the woods while parents can relax around the campfire.

SAMPLE ITINERARY

DAY 2

BREAKFAST

Knife Skills & Bowdrill Set

You will be introduced to key bushcraft tools, both primitive and modern, and learn how to use knives safely for carving and whittling. This hands-on session builds confidence and responsibility.

Building on your knife skills, you will craft their own bowdrill sets—a traditional fire-starting tool. You will then put them to the test and see if they can create fire using friction!

Wilderness First Aid

Basic first-aid skills are essential in the wild. You will learn how to assess injuries, improvise splints, and even construct a stretcher using only the materials around them.

LUNCH

Wilderness Cookery (Salmon)

Families will have the chance to learn about cooking over an open fire and get will hands on with preparing a salmon to roast over the fire.

Camouflage & Concealment

You will blend into their surroundings using natural materials, learning the art of stealth. You will work in teams to evade trackers in a fun and immersive game.

DINNER

DAY 3

BREAKFAST

Trap Making

You will be taught why it is important to find food in remote settings, and how this has been achieved over the ages. Our instructors will demonstrate trapping methods, before each tribe designs and builds their own trap.

Scenario SOS

You will put your new first aid skills to the test and work in teams, using navigation to locate a simulated plane-crash scene, where you will treat the casualties and make improvised stretchers to evacuate them back to camp.

ABOUT CAMP WILDERNESS

ARE THE ACTIVITIES COMPULSORY

Yes, in short, the activities are all compulsory. They are designed for family groups and will require all members to be involved. There will be activities specifically for children and downtime for the adults and children within the timetable. If there is an activity that you do not wish to attend then there must be a responsible adult to look after a child on camp for the duration of the activity. You will not be able to leave camp during this time.

CAN WE BRING FOOD TO CAMP

Camp Wilderness is a fully inclusive experience, therefore, we will supply all food while you are on camp. There are three meals and multiple snacks provided each day as well as fresh fruit and biscuits available at all times. Tea, coffee, hot chocolate, dilute juice and water will be available at all times. We would request that if you do bring food with you, that you bring as little as possible and that it is stored properly as we cannot provide storage for this and we would not advise leaving any food in your tents

GENERAL CAMP QUESTIONS

WHAT HAPPENS IF IT RAINS?

Our camps have large yurts where activities can take place if we have any inclement weather - most of the time, we continue whatever the weather, as we're often shaded by the tree canopy.

IS THERE ANYWHERE TO STORE VALUABLES?

We do not have the facilities to lock up any valuable items so we would advise to leave these at home. If you do bring a valuable item to site we do not accept any responsibility for loss or damage to these items.

WHAT ARE YOUR SECURITY/SAFETY POLICIES?

The safety and security of children and staff are extremely important to us. To ensure all children and staff are secure with as minimal risk as possible, we aim to restrict all external access to the camp. When it is impossible to lock all external access, we will endeavour to have all external gates closed to prevent unwanted visitors. Staff are responsible for monitoring the entrances and exits to the camp throughout the residential.

Yes, all of our activities are accessible to children from the age of 6 upwards. So, whether you are 6 or 66 we guarantee you will be able to do all of our activities!

WHAT IS YOUR POLICY ON MOBILE PHONES AND ELECTRONICS?

Camp Wilderness is an opportunity for you and your children to get away from the busyness of your everyday lives and spend time in nature. However, we understand that life doesn't stop just because you are on camp and you will probably want some photos for you to remember your experience! So, we would ask that any phones or technology brought onto camp are used respectfully, and, if one of our staff requests you don't use your tech for the duration of an activity that you adhere to this. It will always be for your safety or the safety of the families around you. Please be aware that on some of our estates have intermittent mobile phone signal and there are no charging facilities in the woods.
