Peace Of Mind

WILL MY CHILD MAKE FRIENDS?

Absolutely.

Many campers attend on their own and quickly become part of their tribe. Camp activities are designed around teamwork, helping children build friendships from the moment they arrive.

WHAT IF MY CHILD FEELS NERVOUS?

Feeling nervous is completely normal.

Our experienced camp team are experts at helping children settle in, build confidence and feel part of the group. For many children, the biggest challenge is arriving. The biggest problem afterwards is not wanting to leave!

WILL I HEAR FROM YOU DURING CAMP?

We will send out a mid camp email with an update on what they have been up to!

If your child needs you, we'll contact you.

If we need to discuss anything about your child's wellbeing, you'll hear from us directly. Otherwise, no news is good news, because your child is busy having an incredible adventure!

WHAT ABOUT SAFETY?

The safety and wellbeing of every camper is our priority.

- DBS-checked staff
- First aid trained team leaders
- Experienced camp management
- Small tribe groups
- Comprehensive risk assessments

WHAT IF MY CHILD HAS A MEDICAL CONDITION?

Please ensure all medical information is completed before camp so we can provide the best possible support.

CAN MY CHILD COME ALONE?

Yes.

Many of our campers join independently and leave with a whole tribe of new friends!

ADVENTURE CAMP

Frequently Asked Questions

Q: MY CHILDREN WANT TO COME TOGETHER BUT ARE DIFFERENT AGES. CAN THEY BE ON THE SAME CAMP?

A: Yes, if you would like your children to be in the same 'Tribe', please add their names to the 'Tribe' buddies' section of your camper form.

Q: HOW DO I FIND MY CHILD'S LOST PROPERTY?

A: Sadly, we are unable to take responsibility for items left behind on camp, so please double check that you have collected all your child's belongings at pick-up. Any items that are left behind will be kept on site for 2 weeks, before being donated to charity. Please make sure that every item is clearly labelled and please don't send your child with any high value items, we are very happy for them to come in their old clothes!

Q: WHAT IS YOUR DISCIPLINE POLICY ON CAMP?

A: Camp Wilderness has a responsibility for ensuring the well-being and safety of all children whilst on camp. We recognise the importance of encouraging positive behaviour, as well as outlining clear guidelines for staff dealing with poor behaviour, to ensure the well-being and safety of all children. Camp Wilderness strives to promote positive behaviour which should be honoured by every child and member of staff at camp.

Q: WHAT IS YOUR POLICY ON MOBILE PHONES AND ELECTRONICS?

A: We have a 'no tech' rule on all our camps! Camp Wilderness is an opportunity for children to get away from the busyness of their everyday lives and spend time away from their screens. Please do not send your child to camp with their phone, or any other high value electrical devices. Any phones that arrive on camp will be stored in a safe box, so that we can ensure they don't get damaged. If we need to get in contact with you regarding your child's welfare, our staff will have a full list of parent contact numbers and will be in touch directly.

Q: ARE YOUR CAMP STAFF DBS CHECKED? (PREVIOUSLY CRB CHECKED)

A: Yes, every member of our staff has had an Enhanced DBS check and we have safe guarding leads on site.

ADVENTURE CAMP

Frequently Asked Questions

Q: WHAT QUALIFICATIONS/CERTIFICATIONS DO YOUR STAFF HAVE?

A: Our team have a great deal of experience running camps of this kind, having worked for the rest of the year delivering school trips. They also receive extensive in-house training, as well as obtaining qualifications from national governing bodies for specialised activities, including archery. All camp leaders are first aid trained, and our chefs have food hygiene certificates.

Q: HOW MANY MEMBERS OF STAFF WILL BE ON THE CAMP WITH THE CHILDREN?

A: During camp the children will be split into 'tribe' groups, these will be groups of around 10 children. Overall, we operate our camps on a ratio of 8 children to 1 member of staff.

Q: WILL THERE BE FEMALE MEMBERS OF STAFF AT CAMP?

A: Yes, we always aim to have at least one female member of staff on each camp.

Q: WILL THERE BE A MEMBER OF STAFF ON DUTY AT NIGHT?

A: Every night, there will be staff on duty, who will sleep under the central yurt (see pictures). The children are informed who those staff members are on arrival and these members of staff will be with the children for the duration of the trip.

Q: WHAT ARE THE TOILETS LIKE?

A: Our loos are flushing porta-style loos like you might find at a festival. We do not have gender specific porta loos as they are single cubicles. You may want to communicate to your child prior to camp that any tissues, wet-wipes or sanitary items (including the packaging) can be flushed down the toilet. Please also reassure them, that if they have any problems at all surrounding toileting they can speak to any of our staff about this.

Q: MY CHILD HAS A MEDICAL CONDITION. WHO SHOULD I TELL?

A: After booking your child's place, we will ask you to fill out a form with any medical conditions, where you can outline any details. If your child will need to take any medication on camp, please make sure that you have completed a 'medication form' which is part of the online camper form, or downloadable from our website. If you need a copy, please let us know!
